IMPORTANT – PAYMENT AND INSURANCE CONDITION

The extension is conditional upon the agreed extension payment being received in full. The payment stated above is VAT inclusive. The existing deposit held under the Original Agreement continues unchanged and no additional deposit is required. Where applicable, valid insurance cover must also remain in force for the entire extended hire period. The extension is not authorised until the required payment has been received and any required insurance approval has been obtained. If payment is not received, or required insurance approval is not obtained, the extension is not authorised and the Hirer must return the vehicle by the original agreed return date and time.

5. CONTINUATION OF ORIGINAL AGREEMENT

Except for the revised Rental Term and charges expressly stated in this Extension Confirmation, the Original Vehicle Hire Agreement remains unchanged and continues in full force throughout the extended hire period.

This includes the original requirements relating to authorised drivers, lawful use, mileage and excess mileage, fuel, deposits, damage and negligence, insurance excesses, accident and breakdown reporting, PCNs, parking, TfL, ULEZ and other road-user charges, administration charges and all other applicable terms.

No telephone call, message or verbal agreement by itself extends the hire period. Continued possession of the vehicle after the authorised return time does not create a further extension. Any further extension must be approved by Success Van Hire and confirmed in writing or electronically.

6. VEHICLE CONDITION

The vehicle remains in the Hirer's possession continuously from the Original Agreement into the extended period. The original condition report, photographs, videos, mileage and fuel records continue to apply. Any new damage, defect, warning light or incident must be reported promptly to Success Van Hire.

7. AUTHORISATION

By signing or electronically accepting this Extension Confirmation, the Hirer confirms that they requested and accept the extension, understand the new return date and additional charges, and agree that the Original Agreement continues to apply except where expressly changed above.
